

SIDEWINDER 400

The lightest, most compact unit on the market!

- ♦ All guards/panels constructed from light weight aluminium alloy.
- ♦ Compact design provides one of the smallest footprints on the market.
- ♦ Bearings and chain are oil fed. Less maintenance, less worries!
- ♦ Compact but still a work horse! (38,000lbs single line pull)

The Complete Service:

AHMS Inc. is located in Edmonton, Alberta and has provided the oil patch with superior drilling equipment for over 15 years!
